## How it works

---

As a member, you can make vacation deposits, view availability and make exchanges all within a few easy steps. The program is fully automated allowing you access to your account 24/7 through our robust, secure website. In addition, Exchange Coordinators are available 7 days a week to deliver personalized service before, during and after each vacation.

**Step 1:** Log into your Member Account & Deposit a Vacation.

*You can deposit vacations into Elite Alliance. Once your deposit is confirmed your membership account will be credited with the number of Elite Credits<sup>SM</sup> associated with that vacation and you will have 24 months to reserve an available vacation.*

**Step 2:** Select the Vacation You Want.

*When using Elite Credits, the exchange fees are as follows: \$495 for a 3-night vacation, \$395 for a 4-night vacation and \$595 for a 7-night vacation.*

*You can make requests for future vacations at desired destinations. You will be notified when vacations are available that match your requests. Elite Escapes (short notice vacations) are available 45-days prior to the vacation's arrival date and do not require the use of Elite Credits. When you are ready to accept a vacation, just click on the "Make this Exchange" button and we start planning your trip!*

**Step 3:** Finalize The Exchange & Begin Planning!

*Upon confirming an exchange, you are provided with travel coordination, service expectations, property amenities, floor plans and trip guides with must-dos and can't misses.*

**Step 4:** Enjoy your Elite Alliance vacation!

## Earning *Elite Credits*<sup>SM</sup>

Elite Alliance<sup>®</sup> is unlike other exchange programs for the fact that all of our properties meet premium standards of quality, service, location and amenities. ## Testimonials

---

*"We can't say enough about our experience with Elite Alliance. As new members we have been consistently IMPRESSED with the responsiveness/flexibility/friendliness of the team. We've booked multiple Elite Escapes already and are now looking forward to Tuckers Point in May and Four Seasons Aviara in June. The value offered with these escapes is unlike anything we have ever experienced. "*

**Dan & Lyn Murphy**, The Four Seasons Residence Club Aviara

*"Our family and friends have been extremely pleased with our ability to exchange our Deer Valley vacation weeks with other Elite Alliance clubs. We have done this many times and have found the experience to be truly outstanding..."*

**Terry & Fred DelGaudio**, The Residences at the Chateaux

*"I love my Elite membership. The owners at my home resort have said that I should work for Elite because I am always educating them on the benefits, praising the staff and sharing stories of the wonderful places I have been through the exchange program."*

**Maureen Manfer**, The Residence Club at PGA West

*"This was our second vacation to Seven Canyons. Our time in Seven Canyons was wonderful - peaceful and tranquil in a stunning setting with jaw-dropping scenery! The Villas are top-level and very comfortable. The on-site staff is very accommodating and welcomes us like old friends. Thank you to the friendly and helpful reservation experts at Elite Alliance for helping us arrange another memorable vacation with friends."*

**Rik Floyd**, 80I50Mammoth Private Residence Club

*"Elite Alliance is a wonderful vehicle for providing us with a variety of first rate traveling experiences. We've had wonderful weeks at Sedona, Park City and Jackson. We even exchanged at our own club to switch dates! It's important to us that the clubs we visit provide the same level of service we receive at our beautiful club in Bermuda. Elite Alliance has added incredible value to our residence club ownership."*

**Rich S.**, The Residence Club at Tucker's Point

*"We are relatively new to Elite Alliance, however after just returning from our first exchange at Seven Canyons (absolutely loved it!) membership and your destinations make a lot of sense for us. We love Old Greenwood, but plan to transfer all our non-used weeks into Elite Credits in the future and love the option of using the Elite Escapes during "shoulder seasons."*

**Jim Nawrocki**, Old Greenwood

*"We have taken three Elite Alliance vacations – 80/50 Mammoth, The Villas at Seven Canyons and The Residence Club at Teton Springs. Teton Springs was spectacular. Sedona is a special place and the location of Seven Canyons is one of the best. We spent a summer week at 80/50 but if you are a skier it has one of the best locations on the mountain. Each vacation was great and we look forward to spending many more weeks at Elite Alliance destinations."*

**Patrick Kelly**, The Residence Club at PGA West
